

FLUID HANDLING TECHNOLOGY

DECLARATION OF CONFORMITY

According to ATEX 94/9/EC

Ball valves Types 112, 113, 113G/115G, 114, 115, 116G, 117G, 118, 118G,120

The manufacturer Fluid Handling Technonoly, S.A., declares herewith, that the products above described meet the requirements of the European Directive 94/9/EC.

- **Ball valves non electrically operated do not have a potential ignition source and consequently the standard ATEX 94/9/EC does not apply.**
- **The ball valves may be used in the EX range.**

Supplementary note:

- **Electrical/mechanical actuators have to undergo a separate assessment of conformity.**

Applicable harmonized standards:

AD-2000 rules and regulations
DIN 3230
DIN EN 12266
DIN EN 1127-1
DIN EN 13463-1
